

# K-12 Teachers, Guidance Staff, and Administrator

Join us this Summer for a  
Career Enhancement Opportunity  
June 18 - 21, 2007 ~ 8:00 - 4:00 p.m.

Summer Learning Opportunity or 2 Graduate Credits Available

## Overview

This summer's course will provide educators with an opportunity to explore the worlds of: Information Technology, Biotechnology, Manufacturing, & Health. Educators will tour four major businesses in the Dane County Area. Course topics will include the following:

- Hiring practices & career options
- Adult Education at the worksite
- Community Partnerships

## Outcomes

- Build awareness of opportunities available in the sponsoring businesses.
- Learn about the economics of each of these businesses in the local, state, and national level.
- Learn what job skills are needed by the participating businesses.
- Create a partnership/collaboration between your school & participating businesses.

*This course will provide educators with valuable links to the industry, resource materials and ways to help students prepare for the future workforce.*

**Location** - Each day participants will meet at one of four different participating businesses.

June 18 -  
UW Hospital & Clinics

Health Care

June 19 -
