

# EMPLOYER BENEFITS OF YOUTH APPRENTICESHIP THROUGH THE DCSC

## What is Youth Apprenticeship?

Wisconsin's Youth Apprenticeship program integrates school-based and work-based learning to provide students with employability and occupational skills. Students are taught by qualified teachers and skilled work site mentors to prepare for careers while still in high school.

## Program Areas:

## YA BY THE NUMBERS

- 100% High School Graduation Rate in 2016-17
- 86% of students go on to post-secondary education
- 85% of students were offered employment after their apprenticeship was completed
- 199 employers are participating in Youth Apprenticeship through the Dane County School Consortium
